### About Thinkific

Thinkific (TSX:THNC) makes it simple for creator-educators and established businesses of any size to scale and generate revenue by teaching what they know. Our platform gives businesses everything they need to build, market, and sell digital learning products—from courses to communities—and run their business seamlessly under their own brand, on their own site. Thinkific's 50,000 active Creators earn hundreds of millions of dollars in direct course sales while teaching tens of millions of students. Thinkific is headquartered in Vancouver, Canada and has a distributed team.
